Gold team?

When players in a particular age group have sufficient interest and skills to compete at a higher level, a "Gold" team may be formed. Gold team players are expected to have a high level of commitment to WAZA, specifically:

- Declare WAZA as their primary team (i.e., in case of conflicts with another team or sport, WAZA comes first)
- Be willing to practice at least 2 times per week
- Be willing and able to participate in most tournaments in which the team plays

Not all interested players will be selected for a "Gold" team, and being on a Gold team one session does not guarantee a player stays on the Gold team for the next session. Please indicate which season(s) you would want to be on a Gold team if invited.

Tournaments

Tournament teams normally consist of Gold team players plus other invited WAZA players. If there is sufficient player interest we certainly would take other teams to tournaments. Check the tournaments below in which you are willing and expect to be able to participate. This is just a sample of the tournaments we will consider. The team manager and coaches will decide which tournament(s) fit best for each team.

- Christmas (*between Christmas and New Year's; likely in the Syracuse area but could be elsewhere*)
- February Valentine's Day Massacre at Syracuse Indoor Sports Center (*often the start of school break week*)
- March or April outdoor tournament, somewhere south (Md? Va?) (*tournament TBA; requires overnight travel*)
- Memorial Day (*tournament TBA; requires overnight travel*)
- Legends of Summer at Oneonta, NY (*in 2007, U10-U13 was June 14-15; U14 was June 21-22*)

Check here if you're providing add'l info on the back regarding preferences, concerns or limitations, e.g.:

- Team assignment -- please indicate whether it is a **preference** or **requirement**; i.e. if specifying a requirement that can not be met, then we will not assign the player to a team (e.g., a younger girl wants to play only on a girls team, not co-ed)
- Details on request to play on 2 WAZA teams (e.g, different age-group teams, Gold and "regular" team, etc.)
- Restrictions on game availability (e.g., can't play Sundays) or concerns about transportation.
- Financial concerns (no guarantee, but we do try to assist those who cannot afford to pay full fees.)
